TRAVEL REFERENCE LIMITED • PO BOX 5075 • BRIGHTON • BN50 9PS

Introducing Travref.com.
A new white-labelled interactive map tool, designed to neatly fit onto your website, showing your clients in as little as one click how easy it is to reach you.

Travref provides comprehensive travel information for the UK and Ireland.

SHOW YOUR CUSTOMERS
THE EASIEST ROUTE...

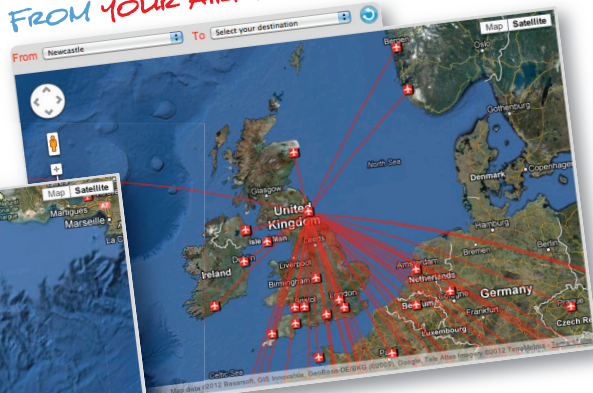

FROM THE UK TO YOUR COUNTRY

FROM THE UK TO YOUR PROPERTIES

FROM YOUR AIRPORT TO THE WORLD

Your Holidays and Properties

Your locations are pinned to an interactive Google map using your logo
The nearest airports, ports and international train stations are displayed
Clicking them instantly displays all their scheduled routes to the UK and Ireland
Clients will book once they see how easy it is to reach you
They save time and money by booking direct with each travel company via your website

You Choose:

- The map size and style that best fits your website
- As many maps as you need - one map for all locations, or one for each
- A unique marketing message for every location

Your Airport

Show every scheduled route from your airport using a customised interactive Google map
Charter destinations can be included
Additional information for each route can be shown in a neat pop-up message if required
Official visa, health and Foreign Office information automatically linked for each destination worldwide
We update the map and destination list so you don't have to
Forward route searches either to the airline direct or to your own booking engine

Your Country

Show every scheduled air, sea and international rail route to your country from the UK and Ireland using a customised interactive Google map
We update the map and destination list so you don't have to
Clients can book direct with travel companies via your website
Includes official visa, health, and Foreign Office information links for your country
